Remember to keep your credit union accounts active. All you have to do is make a financial transaction once a year to keep your account active. If you do not keep your account active, then on the 13th month of non-activity, your account will be charged a dormant account fee of \$1.00 per month until you bring your account active again. If you have any questions, please contact the manager, Sheila Brown, at 406-234-5458.
